*I'm a yearly visitor to the Willow Creek area
I'm deeply concerned about the impact the
railroad will have on this pristine area.
My hope is that you will be sure to take
in account not only the people's lives but
the environment. I've watched my home state
totally destroyed, nature abolished because
of an called up state
is not protected it will be.
If progress must go on please carefully
choose, where animals, people and beauty
won't be lost.*
